

Flat screen TV furniture mount TH-FM

The Telehook TH-FM furniture mount is designed to be mounted to desks, tables, benches and more, particularly in commercial environments. Whether you need your monitor for product display, digital signage or POS applications the TH-FM has the solution. Its theft resistant design includes security screws at all fixing points and internal cable management. It features a high range of incremental movement that can be locked at various intervals to ensure the highest levels of safety and security. Support for a wide variety of LED, LCD and Plasma displays is achieved with its universal mounting head and generous maximum weight allowance of 35kg (77lbs).

Mounting hole pattern:
From 100mm to 600mm wide
From 100mm to 400mm high

Maximum weight carrying capacity:
35kg (77lbs)
